

TEMPO t41 table

design Timo Saarnio

Perfect match for Tempo chairs are elegantly shaped Tempo tables. The tables have a precise look due to the frame circling the edge of the tabletop. You can especially notice this in the t41 table, which also has three legs, adding to its originality.

The table's base is 30x30 mm square pipe, the tabletop is 14 mm plywood with natural edges. Glides for the legs come as a standard.
