KOMBU coffee table

design Mikko Halonen

The Kombu coffee table is a beautiful centrepiece in any conversation zone. The table frame is made of oak as standard, and the table top is made of oak veneer plywood with a distinguishable veneer edge.

Kombu coffee table k60/D55

KOMBU bar series

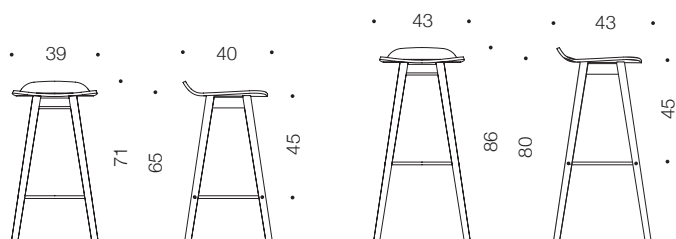

design Mikko Halonen

The Kombu bar series gives restaurants, cafés, and meeting areas a stylish and sophisticated look. They can serve as a meeting place, a study, or a work area during a hectic day.

The bar stool and table are available in two heights. The footrests, which are powder-coated in standard colors or according to the interior design plan, guarantee a comfortable sitting position.

k64 bar stool
