

TEMPO t33j stool

design Timo Saarnio, 2012 & 2016

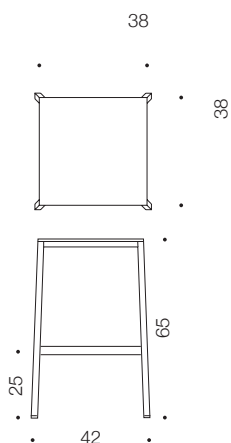

Dignified Tempo t33 seating series is suited for locations which are looking for classic and timeless atmosphere. The appearance of the Tempo stool is delicate and pairs well with the Tempo t33 chair. The legs and the horizontal frames on the bar stool are square 20x20 mm steel pipe. The seat is form pressed plywood with a recess for comfort and style. The stool is available with seat upholstery. Glides for the legs come as standard. Three heights available.
