

TEMPO t41 table

design Timo Saarnio

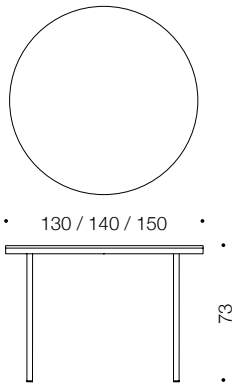

Tempo tables are the perfect complement to Tempo chairs, sharing the same elegant and refined design language. A distinctive frame encircles the edge of the tabletop, creating a precise and architectural appearance. Available with either three or four legs, the Tempo t41 table combines a light visual expression with a unique and versatile design.

The base is made from 30 × 30 mm square steel tubing. Glides are included as standard.

t41 table / 3 legs

t41 table / 4 legs

Code
t41/D130 (4 legs)
t41/D140 (4 legs)
t41/D150 (4 legs)
